The Core Curriculum applies to all bachelor degree students- freshman, transfer, or re-entering-entering the University of New Mexico in Fall 1999 or later. It does not apply to second-degree-seeking students. This checklist reflects Core Curriculum revisions taking effect in fall 2003, and English and Math department course updates as of summer 2014.

Students with transfer credits, CLEP, or AP should meet with an advisor to discuss core and groups. To satisfy the Core Curriculum Requirements, elimination of an entire area or change in the number of hours within an area is not allowed. A "C" (not C-) is required for all core courses. Credit (CR) is acceptable. 

**Note:** The student must assume FULL RESPONSIBILITY for meeting all graduation requirements.
