For additional details consult the UNM Catalog or meet with the NAS Student Programs Specialist, Mesa Vista Hall 3080 or call 505-277-3917.

The Core Curriculum applies to all Bachelor degree students – freshmen, transfer, or re-entering the University of New Mexico in Fall 1999 or later. It does not apply to second-degree-seeking students. This checklist reflects Core Curriculum revisions taking effect in fall 2003, and English and Math department course updates as of summer 2014.

Students with transfer credits, CLEP, or AP should meet with an advisor to discuss placement. All students must satisfy the Core Curriculum Requirements with a "C" (not C-). Credit (CR) is acceptable.

Note: The student is solely RESPONSIBILITY for completing all graduation requirements.
